

GEORGIA: TRADE PROGRAMS AND SERVICES

The Trade division of the Georgia Department of Economic Development (GDEcD) provides Georgia exporters with global insight and connections to grow their international sales and business opportunities. Leveraging the state's international representatives located in more than a dozen strategic markets, GDEcD's Trade division helps qualified Georgia exporters enter and expand into markets across the globe.

The competitive reimbursement grant is available for qualified small businesses to initiate or expand export activity and grow globally. Funded in part through a partnership with the U.S. Small Business Administration. Approved companies are eligible for 75% reimbursement per activity, up to the maximum reimbursement for that activity.

*As of March 2025.
