

# GEORGIA: A FULL RANGE OF OPPORTUNITIES

## TOP-RANKED AND VERSATILE WORKFORCE

 **5.4**  
million-member  
workforce

 **61,960**  
employed in fabricated  
metals and plastics  
manufacturing  
(JobsEQ, 2025Q1, 4Q moving avg.).

 **600,000+**  
veterans reside in state

- VECTR - the Georgia Veterans Education Career Transition Resource Center provides training and connects employers with transitioning veterans.
- Right-to-work state with low unionization membership.
- Statewide university system includes Georgia Tech, the home to the #1 Industrial Engineering Program in the nation.
- HOPE Career Grant is a state-funded grant that results in free tuition for students in high-demand majors at the Technical College System of Georgia.
- Quick Start, the nation's number one training program, develops customized, strategic workforce solutions for qualified companies.

## PRO-BUSINESS CLIMATE AND FIREARMS FRIENDLY LEGISLATION

- Extensive infrastructure provides quick access to markets via rail, road, sea and air.
- “Constitutional Carry” signed in 2022 allows Georgia residents to carry handguns in public without a license or background check.
- Georgia allows no waiting period on firearm purchases. Individual citizens can legally sell firearms to other citizens and do not require background checks. There is also no handgun registration required.
- Hunting is a popular pastime, and with millions of acres available for shooting large and small game, including several of the most prestigious quail hunting preserves in the nation.
