

FY26 General Operating Support (GOS) Grant Final Report Guidelines

Contact Allen Bell, Director of Grants and Research, with questions
abell@gaarts.org or 404-962-4839

UNUSED GRANT FUNDS

If a grantee is not going to spend the full grant amount, GCA must know early enough in the fiscal year to reallocate those funds. If GCA is not notified about unused funds until late in the fiscal year (May-June), there is not time to reallocate the grant funds and they must be returned to the state's general fund. In the past, unused funds in one year have had a negative impact on GCA's budget in the following year.

Please help us protect and utilize all of the state's arts appropriation by submitting the Final Report on time and notifying GCA as soon as possible if you believe that your organization will not utilize all of the awarded grant funds.

FINAL REPORT DEADLINE

FY26 General Operating Support (GOS) Grant Final Reports are due no later than **July 31, 2026**. Final Reports received after the deadline may result in cancellation of the contract balance. In addition, FY28 Grant Review Panels will be notified if an applicant submitted a late FY26 final report, which may have an impact on the organization's final scores.

FINANCIAL INFORMATION

Provide the following information for your organization as a whole for the entire fiscal year, July 1, 2025-June 30, 2026, in the online final report form:

- Total Actual Expenses
- Total Actual Income
- Actual In-Kind Contributions

ATTACHMENTS

The following items will be uploaded to the Final Report.

INCOME AND EXPENSE REPORT FORM

The Financial Report Form can be found here:

<https://georgia.org/industries/arts/grants/general-operating-support>.

The Financial Report Form will provide a table into which you will enter the actual income and expenses and breakdowns for the funding period (July 1, 2025-June 30, 2026).

- Total income and total expenses do not have to be exactly equal.
- Include **ALL** income and expenses for the funding period.

The General Operating Support (GOS) Grant requires a 100% cash match for the grant amount. The matching funds must be received by the grantee by June 30, 2026. Failure to raise the cash match results in cancellation of the unmatched portion of the award. In-kind contributions of goods, services, or space are not allowed to be included as part of the match.

If either the total expenses or total income decreased by more than 20% from the application budget, provide an explanation in the space indicated on the Financial Report Form for the overall decrease. Also, explain whether or not the decrease had an impact on the overall quality of the project.

Provide breakdowns of the following lines from your actual expenses and income:

Expenses

1. Personnel-Administrative
2. Personnel-Artistic
3. Outside Fees
5. Remaining Expenses

Income

17. Revenue-Other

- The breakdown should include a description and amount for all items that make up the total for that line.
- For lines 1 and 2 (personnel), list the positions included in the total for that line. You do not have to list the individual salary for each position. Indicate whether each position is full-time (FT) or part-time (PT).
- Organizations with multiple employees in similar positions may group those positions together and list the number of positions included.

GCA created the table below to provide an example of the format for the Expenses and Income Breakdowns. Grantees should create their breakdowns in Excel or Word and tailored to their own expense and income breakdown line items. GCA expects the columns to be the same as below, and the budget sections to be organized according to the list above, but the exact expense and income line items will vary for each grantee.

Example Income and Expense Breakdowns

Budget Line	Expense	Eligible GCA Expense	Ineligible GCA Expense	Total
1-Personnel Administrative	Executive Director (FT)

Please note the following:

- The address on the CRR must match the address that is in GCA's online grant system and in the state accounting system.
- No CRR will be processed if requirements from the preceding fiscal year, the Contract Package, or the Final Report are outstanding.
- **Each CRR must be submitted with receipts totaling the reported total actual expenses. For GOS grants, the receipts must be for the specific items for which the grant funds are used. Please combine the completed CRR form with the receipts as a single PDF file and upload the file to this section of the final report form.**

Please note: Mailing or e-mailing the CRR Form rather than uploading it with your final report will delay processing of your report and your final payment.
