General Provisions

All awards are made on a fiscal-year basis according to the state of Georgia fiscal calendar (July 1, 2025, through June 30, 2026). The arts programming listed in the application must be completed within fiscal year 2026, and all expenses must be incurred within that same fiscal year.

CHANGES AND ITEMS OF NOTE

GCA FY26 grant recipients should be aware of the following changes and items of note.

Receipts Requirement

As of FY26, GCA will require receipts to document all grant-related expenses. Receipts will be submitted with the Contractor's Request for Reimbursement (CRR) Forms. See page 19 of the handbook for details about the CRR form and receipts.

General Operating Support (GOS) Grant CRR Required with Contract

General Operating Support (GOS) Grant recipients will be required to submit a CRR Form requesting the first 90% of the grant award when the contract is returned. The CRR Form will be uploaded to the Contract Return Form in GCA's online grant system.

General Operating Support (GOS) Grant Expense Identification Requirement

GOS Grant recipients will be required to identify how the grant funds and required matching funds were spent. Funds may be used for any eligible operating expenses within the funding period (July 1, 2025- June 30, 2026). Eligible uses of the grant include but are not limited to: salaries, rent, utilities, programming expenses, marketing, insurance, etc.

Updated Ineligible Expenses List

The list of ineligible expenses has been updated and expanded. See pages 7-8 of the handbook for the updated list.

Guidance for Diversity, Equity, and Inclusion Executive Order Compliance

GCA has collected guidance from the National Endowment for the Arts (NEA) regarding compliance for the recent executive order regarding DEI programs. Details are on page 8 of the handbook.

New Supplier Change Request (SCR) Form

The State of Georgia has updated the Supplier Change Request (SCR) Form. New grantees and returning grantees with changes to their organization name, address, or banking information should use the new SCR Form. Details are on pages 9-14 of the handbook.

SAM UEI Requirement

The federal government, including the National Endowment for the Arts (NEA), recently transitioned from using DUNS numbers as their unique entity identifier (UEI) to using a new identifier, known as a **SAM UEI**. Because GCA is funded in part by the NEA, we are also required to transition to using the SAM UEI. **Going forward, a SAM UEI is required to process all GCA grant applications, contracts, payments, and final reports.**

If you have not already obtained a SAM UEI and added it to your organization's record in GCA's online grant system, you will need to do so for GCA to process the contract and payments for your grant.

Detailed instructions for obtaining and entering a SAM UEI are included on pages 24-25 of the Grant Management Handbook.

CHANGES TO TERMS & CONDITIONS PER NEA REQUIREMENTS

The National Endowment for the Arts (NEA) has added or amended some terms and conditions for their grant funding. Because GCA awards NEA funding to support grants, and all state-funded awards serve as part of an NEA match, all GCA grants must comply with the terms and conditions provided by the NEA, which are available here and are part of all GCA grant contracts: <https://www.arts.gov/sites/default/files/GTC-PARTNERSHIP-FY25-PLUS-6-25-25-FINAL.pdf>. Some notable changes to the NEA terms and conditions are included below.

New Executive Order

GCA grant recipients must adhere to and abide by all applicable federal and state laws, regulations, and executive orders in the performance of their grant agreements, including new executive orders.

One new executive order, Executive Order 14173, [Ending Illegal Discrimination and Restoring Merit-Based Opportunity](#), provides that award recipients should (A) agree that its compliance in all respects with all applicable Federal anti-discrimination laws is material to the government's payment decisions for purposes of section 3729(b)(4) of Page 45 of 56 title 31, United States Code; and (B) certify that it does not operate any programs promoting "diversity, equity, and inclusion" (DEI) that violate any applicable Federal anti-discrimination laws.

The NEA provides some [guidance regarding compliance with this executive order](#). The NEA clarifies that: "The certification requirement requires you to certify that any DEI-related activity that you conduct, regardless of its connection to your federal award, does not violate applicable federal anti-discrimination laws."

Your organization may operate programs that promote DEI "provided that the programs do not violate federal antidiscrimination laws. Applicants may not intentionally discriminate on the basis of race, color, or national origin in their programs or activities under federal law, whether or not those activities are funded by a federal grant. Whether or not a particular activity constitutes unlawful discrimination does not turn solely on whether it is labeled "DEI" or uses terminology such as "diversity," "equity," or "inclusion." For example, applicants with programs focused on interests in particular cultures, heritages, and areas of the world would not in and of themselves violate Title VI, assuming they are open to all participants regardless of race, color, national origin, or other protected criteria."

"If you are concerned that a program you are operating may violate federal antidiscrimination law, you may refer to public resources on these laws, or obtain private counsel. For more information about federal antidiscrimination laws that may apply to your award, you may visit the Office of Civil Rights' webpage for [Applicants & Recipients of Federal Financial Assistance](#)."

CONTRACT PACKAGE RETURN FORM

The Contract Package Return Follow-Up Form in GCA's online grant system contains links to the Supplier Change Request (SCR) Form, the W-9 Form, the ADA Checklist, the E-Verify federal work authorization affidavit, the form for certification of no employees, and the Contractor's Request for Reimbursement (CRR) form.

These items must be submitted online through the Contract Package Return Follow-Up Form in GCA's online grant system no later than August 22, 2025. If the items are not returned by the deadline, the contract may be cancelled and the grantee may not receive the FY26 award. In addition, FY26 grant panels will be informed that the contract was not returned, and they will take this into consideration when scoring.

If extenuating circumstances will prevent you from returning the contract by the deadline, contact Delilah Johnson (djohnson@gaarts.org) to request an extension.

To locate the Contract Package Return Form, log in to your online grant system account at <http://georgia.org/ArtsApply>. Scroll down and find your FY26 Grant. Below your application will be a green bar, then under that will be the FY26 Grant Contract Package Return Form. Click on EDIT to the far right to open the form.

Contract

The contract will be sent via email. All grantees will sign the contract and upload it through the online grant system at <http://georgia.org/ArtsApply>. If both of those people have left the organization, please complete a Change of Information Form via GCA's online grant system at <http://georgia.org/ArtsApply> and submit it at the same time that you send the contract. The contract will be signed by GCA before it is sent to grantees, so once it is signed by your authorized official, you will upload a fully executed copy.

You must use the form you find via the link and not a copy of one that you have submitted in previous years. Section 3 is divided into three subsections – **Business Certifications, Minority Business Enterprise, and Veteran-Owned Small Business**. For each subsection, check the appropriate boxes. If none of the Business Certifications apply, check Not Applicable. If none of the Minority Business Enterprise boxes apply, check the box labeled Not Applicable. If none of the Veteran-Owned Small Business boxes apply, check Nonveteran-owned Small Business. All three of these sections must have at least one box selected. If any of the three sections do not have a box selected, then the form will be returned to be completed again.

Small business means any business which is independently owned and operated. Additionally, such business must have either less than 300 employees OR less than \$30 million in gross receipts per year.

Georgia resident business means any business that regularly maintains a place from which business is physically conducted in Georgia for at least one year prior to any bid or proposal to the state or a new business that is domiciled in Georgia and which regularly maintains a place from which business is physically conducted in Georgia; provided, however, that a place from which business is conducted shall not include a post office box, a leased private mailbox, site trailer, or temporary structure.

Women-owned businesses are companies that are 51% owned by women.

Minority business certified companies are certified as a **minority business enterprise** or a **minority subcontractor** by submitting an application for the Disadvantaged Business Enterprise (DBE) Certification to GDOT. Only suppliers who have successfully completed the DBE certification process and registered in Team Georgia Marketplace are listed as a “Certified Minority Business Enterprises”.

A **minority business enterprise** represents companies that are 51% owned by a minority.

A **veteran-owned small business** is a state-level designation for small businesses 51% owned and operated by a United States Veteran. A United States Veteran must own or control 100% of the assets of a sole proprietorship, at least 51% of the equity interests in a partnership, at least 51% of the aggregate of all stock outstanding, at least 51% of the membership interests in a limited liability company, 100% of the control of a sole proprietorship, or at least 51% of the control of a general partnership.

Section 4

In this section, the only item that grantees may need to complete is the Payment Alternate Name. If your organization wants payments to be made to an organization name other than the Supplier Name entered at the top of page 1, then please check the Change/Add Payment Alt Name to existing address box and enter the Payment Alternate Name.

Section 5

Please **DO NOT COMPLETE OR SIGN** the **signature section** below **Section 5** at the bottom of **page two (2)**, as this section is for state agency use only.

Please note: When you scan and upload the Supplier Change Request (SCR) Form, you must include **both pages** of the form.

Street Address Verification

For new grant recipients, address verification is required to accompany the SCR Form. Eligible documentation includes a lease or deed, an invoice, a legal document, or a letter on the organization's letterhead stating the address that should be used for state accounting purposes, including grant payments by direct deposit or check.

P.O. Box Verification

For new grant recipients with a P.O. Box completed on a second SCR Form, P.O. Box verification is required to accompany the SCR Form. The only eligible documentation is a copy of the lease for the P.O. Box.

W-9 Form

All grantees that did not receive a grant in FY25, or returning FY25 grantees with organization name or address changes, must complete a W-9 Form.

You will find a link to the W-9 form within the Contract Package Return Form or you can download the form here: <https://www.irs.gov/pub/irs-pdf/fw9.pdf>. You must use the form you find via the link and not a copy of a form that you have submitted in previous years. Complete the form and upload it within the Contract Package Return Form.

The following pages include written instructions for the W9 Form. In addition, GCA Grants Specialist Delilah Johnson recorded a video with line-by-line instructions explaining what to enter on the W9 Form. You can access the video here: [How to Fill out W-9 form Audio slide.mp4](#).

In **section 1**, enter the name of your organization. Make sure that the name you enter exactly matches the organization name entered on the Supplier Change Request (SCR) Form.

In **section 2**, if applicable, enter the alternate (DBA) name of your organization. Make sure the name you enter exactly matches the dba Name entered on the Supplier Change Request (SCR) Form.

For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.</p>

ADA Checklist

All grantees that did not receive a grant in FY25, or returning FY25 grantees that moved to a new facility or conducted major renovations to their facility that impacted accessibility of the facility, must complete the ADA Checklist.

You will find a link to the ADA Checklist within the Contract Package Return Form or you can download the form here:

<https://www.dropbox.com/s/o7jpjacdfwvx8u/FY22%20ADA%20Checklist%20-%20GCA%20Grants-%20updated.pdf?dl=0>.

You must use the form you find via the link and not a copy of a form that you have submitted in previous years. Complete the form and upload it within the Contract Package Return Form.

Residency Verification

GCA's Residency Verification instructions depend on whether your organization is a nonprofit with employees, a nonprofit with no employees, or a government entity.

- If your non-profit organization received a GCA grant in FY25, you were required to submit a Residency Verification. You do not need to submit another Residency Verification this year.
- If your non-profit organization has employees (that is, if anyone receives a W2 form from your organization) and did not receive a GCA grant in FY25, the organization must register with E-Verify and submit an affidavit certifying that the grantee uses the E-Verify federal work authorization program.
- If your non-profit organization does not have employees (that is, if no one receives a W2 form from your organization) and did not receive a GCA grant in FY25, then you must complete and submit a form verifying that your organization does not have employees and submit a copy of a driver's license or Passport for the person who signs the contract.
- If your organization is a government entity, a public school, a public library, or a public college or university, you do not have to submit any type of residency verification.

Residency Verification for Non-Profit Organizations with Employees

E-Verify registration instructions:

- Go to: <https://www.e-verify.gov/>
- Click on "I am an employer"
- Click on "learn how to enroll" if you are not already registered
- Click on "enroll now" and follow the steps to enroll in E-Verify

Complete the Contractor Affidavit form at [Georgia Department of Audits : Information/Resources](#). This form asks you to confirm that your organization is registered with and utilizing E-Verify, a web-based system that allows enrolled employers to confirm the eligibility of their employees to work in the United States. By signing the form, grantees are confirming that:

- The organization is using and will continue to use E-Verify for the duration of this grant contract and all future GCA grant contracts.
- The organization will notify GCA if it ceases to use E-Verify.
- The organization will only use subcontractors who are approved by E-Verify.
- The organization will provide documentation to the State of Georgia regarding the legal status of employees or subcontractors if requested by the state.

For additional information, go to <https://law.justia.com/codes/georgia/2010/title-13/chapter-10/e/13-10-91>.

Affidavit instructions:

- Use Appendix C attached to the contract or click the link to access the affidavit certifying that the grantee uses the federal work authorization program:
[https://www.audits2.ga.gov/wp-content/uploads/2021/10/Contractor Affidavit - Updated December 2018 - Final.doc](https://www.audits2.ga.gov/wp-content/uploads/2021/10/Contractor_Affidavit_-_Updated_December_2018_-_Final.doc).
- Download and save the affidavit.
- Read and sign the affidavit and have the document notarized at the time it is signed.
- ***“Federal Work Authorization User Identification Number”*** is the Employer ID number issued by E-Verify. This is NOT the user login ID and is NOT the organization’s FEIN number.
- ***“Name of Contractor”*** is the name of your organization.
- ***“Name of Public Employer”*** is Georgia Council for the Arts.
- ***“Name of Project”*** should be the name of the grant that you are receiving – Project Grant, Arts Education Program Grant, or General Operating Support (GOS) Grant.
- Upload the signed and notarized affidavit to the online Contract Package Return Form.

Residency Verification for Non-Profit Organizations without Employees

If your organization is required to submit Residency Verification and your organization has no employees (that is, no one receives a W2 from your organization), the person who signs the contract should submit a copy of his/her driver’s license, Passport, or other authorized document, and complete and submit a form certifying that your organization has no employees. The form can be found in Appendix D attached to the contract or at the following link: <https://www.dropbox.com/scl/fi/x677nnnayl5li7zf7kfeo/Certification-of-No-Employee-FILLABLE-FORM.pdf?rlkey=89ol97l6g7zsf7u5nm9r4bbig&st=3sq59vrj&dl=0>.

Corrections and Stipulations (C&S) Memo

If a grantee's application has errors, omissions, and/or provides incomplete or confusing information, that grantee will receive a C&S Memo which details the information that must be provided to GCA before the grant contract will be executed. The C&S Memo and the grantee's response will become part of the binding contract with the state. If the C&S Memo states that no response is needed, then the applicant does not have to return anything to GCA with the contract related to the C&S Memo.

Contractor's Request for Reimbursement (CRR) Form

In order to receive grant funds, a grantee must submit a Contractor's Request for Reimbursement (CRR) Form. Grantees may request 90% of the grant during the grant year, and the final 10% may be requested when the Final Report is submitted.

You will find a link to the CRR Form within the Contract Package Return Form. The CRR Form can also be found on the grant program pages on the GCA website:

General Operating Support (GOS) Grant - <https://georgia.org/industries/arts/grants/general-operating-support>

Project Grant - <https://georgia.org/industries/arts/grants/project>

Arts Education Program Grant - <https://georgia.org/industries/arts/grants/arts-education>

For Project and Arts Education Program Grants: A CRR may not be submitted until **grant expenses totaling at least 50% more than the CRR request amount have been incurred**. For instance, if a grantee is awarded \$5,000 for a Project Grant, then the grantee may request up to \$4,500 (90% of the award) once at least \$6,750 in expenses have been incurred.

For General Operating Support (GOS) Grants: A CRR may not be submitted until **grant expenses totaling at least double the CRR request amount have been incurred**. For instance, if a grantee is awarded \$10,000 for a General Operating Support (GOS) Grant, then the grantee may request up to \$9,000 (90% of the award) once at least \$18,000 in expenses have been incurred.

Please note the following:

- The address on the CRR must match the address that was submitted on the Supplier Change Request (SCR) Form.
- The CRR may be submitted at the same time as the contract as long as enough expenses have been accrued to meet the requirements detailed above.
- CRRs submitted during the year should be e-mailed to Delilah Johnson at gcaforms@gaarts.org.
- The CRR for the final grant payment should be uploaded to the final report.
- No CRR will be processed if requirements from the preceding fiscal year, the Contract Package, or the Final Report are outstanding.
- **Each CRR must now be submitted with receipts totaling the reported total actual expenses. For GOS grants, the receipts must be for the specific items for which the grant funds are used.**

DURING THE YEAR

This section addresses things that you should keep in mind during the grant year.

Change of Information

Keeping your online account information up-to-date is important to ensure that you are receiving notifications from GCA regarding your grant and that your grant payments are sent to the correct location.

Grantees must complete a Change of Information Form if there are any changes to an organization's:

- Phone number
- Address
- Contact person
- Authorized officials

Grantees should complete the Change of Information Form within GCA's online grant system at <https://georgia.org/ArtsApply>. After logging in, click on the Apply tab at the top of the page and scroll down to the Change of Information Form and click on the blue Apply button.

Please allow up to four weeks for GCA to make the changes in your account. We will notify you if we have questions and when the changes have been made.

GCA Logo and Crediting Requirements

Printed Credit

GCA requires all grantees to recognize GCA in all materials, publications, and programs that are supported by state funds and in which other funders are credited. This includes programs, newsletters, brochures, fliers, ads, calendars, posters, press releases, films, videotapes, websites and all electronic transmissions. Any organization receiving a General Operating Support (GOS) Grant must provide this recognition for the entirety of the fiscal year of funding.

The [GCA logo](#) must be reproduced in the same size and proportion as that of other sponsors. It must be reproduced as it is provided, without alteration.

If there is no printed material associated with a program, oral credit must be given. The statement below must be provided before the event or performance, and during any radio broadcast or audiotape for the hearing impaired.

"This program is supported in part by Georgia Council for the Arts through the appropriations of the Georgia General Assembly. Georgia Council for the Arts also receives support from its partner agency – the National Endowment for the Arts."

- [GCA All Black Logo](#)
- [GCA All White Logo](#)

To request eps versions on the logo, contact GCA Grants staff.

NEA Credit

GCA receives significant funding from the National Endowment for the Arts. Grantees should recognize the NEA on their materials in addition to, but not instead of, the GCA logo. Visit the [NEA website](#) for access to the logo.

Letters to the Governor and State Legislators

GCA wants the Governor and our State Legislators to be aware of the work of our grantees, as well as the impact of your GCA grant. All FY26 GCA grantees are required to write a letter to the Governor and both of their State Legislators (one State Senator [upper chamber] and one State House Representative [lower chamber]) which includes the following information:

- the number of people served by the organization
- the ways that the organization serves its community
- the ways that the GCA grant will better enable the organization to serve its community
- an invitation to the funded program(s) (if applicable)

Letters to the Governor should be addressed to:

Governor Brian P. Kemp
206 Washington Street
Suite 203, State Capitol
Atlanta, GA 30334

If you need contact information for your state legislators, go here:

https://openstates.org/find_your_legislator/. On this page, enter the physical address for the organization receiving the grant, including street address, city, state, and zip code, and then click Search by Address. The results will include your State Representative (lower chamber) and your State Senator (upper chamber). Click on the elected official's name to access their mailing address and email address.

Grantees will be required to submit copies of the letters to the Governor and State Legislators with their Final Reports.

Unused Funds

Grantees are strongly encouraged to use all of the funds awarded to complete the project or operations supported by the grant; however, some grantees may be unable to use some or all of the grant funds awarded due to a variety of reasons, such as inability to meet the required

income match or the arts programming has been cancelled. Regardless of the reason, **GCA must be notified no later than May 1, 2026, about funds that will not be utilized.** With enough advance notice, GCA may reallocate the funds for other arts programming. **If a grant recipient organization fails to notify GCA prior to May 1 that a project is cancelled or that a portion of grant funds will not be spent, then GCA may apply a penalty, which could include restricting the organization from eligibility to apply for GCA grants for a specific number of years.**

Programming Changes

If the programming and/or goals that were outlined in your original application change significantly during the grant year, contact your grant manager to discuss the changes. GCA understands that sometimes the scope of a project changes. While this is not always problematic, sometimes the changes take the project too far away from what was proposed in the application. **Discussing changes with GCA early in the process will allow time to make adjustments** to avoid penalties for not fulfilling the project as outlined in the application.

Grant Change Form

Organizations that need to make significant changes to their funded programs should complete the FY26 Grant Change Form within GCA's online grant system. A change form must be assigned by GCA staff. If you need to change your funded project, please contact the appropriate grant manager.

While GCA will allow changes to the program, the revised program must still serve the same audience and purpose as the original program, and must meet the same financial requirements as the original grant, such as matching income and minimum expenses.

GCA will consider the following requests for changes:

- **Change of Date:** Grantees may change the date of their program as long as it takes place prior to June 30, 2025.
- **Change from a Live Event to a Virtual Event**
- **Change of Artist/Program:** GCA will consider requests to change the artist or program. The new program must serve the same audience and purpose as the original program. For instance, if the original program involved a live performance for students, and the company booked for the performance is not currently touring, the grantee could change to an artist who can deliver a virtual performance for the same students.
- **Cancellation:** If the funded program cannot take place, and the option is not available to postpone the event or change to a new artist, the grantee can cancel the event. **If the funded program must be canceled, the grantee should notify GCA prior to May 1, 2026.** Grantees that cancel a funded program will not be able to receive any funds from the grant as the funds will be reallocated to other projects.

Once the change form is submitted, GCA will be in touch to notify the organization whether or not the requested change is approved.

FINAL REPORT

This section addresses the Final Report and other things you should keep in mind at the end of the year.

Final Reports are required of all GCA grantees. **All Project and Arts Education Program Grant final reports are due 30 days after the completion of the project.** GCA will publish instructions for **FY26 Project and Arts Education Program Grant** final reports in the fall of 2024.

For **General Operating Support (GOS) Grants**, the report is due July 31, 2025, which is 30 days after the end of the funding period. General Operating Support (GOS) Grantees may not submit their final report prior to July 1, 2025, as the report must contain financial information for the entire funding period, which does not end until June 30, 2025. **General Operating Support (GOS) Grant** final report instructions will be published in the spring of 2025.

Final report instructions will be available on GCA's website on the page for each grant type: <https://georgia.org/ArtsApply>.

If the Final Report is not submitted by the deadline, grant panels in the following year will be notified that the grantee did not fulfill the terms of the grant contract.

Goals

In the Final Report, grantees will report on the progress they made toward accomplishing the goals that were outlined in the application.

Matching Income Requirements

General Operating Support (GOS) Grants require a 1:1 matching cash income for the grant amount. For this year, Project and Arts Education Program Grants require a 50% matching cash income for the grant amount. The matching funds must be received by the grantee by June 30, 2026. Failure to raise the cash match will result in cancellation of the unmatched portion of the grant award. In-kind contributions of goods, services, or space are not allowed to be included as part of the match.

Total Actual Expenses

GCA will not reimburse an organization for more than 50% of total actual expenses for FY26 General Operating Support (GOS) Grants as shown in the Financial Report Form. For instance, if an organization is awarded a General Operating Support (GOS) Grant of \$10,000, but the final report shows that the organization only had a total of \$18,000 in actual expenses, the organization will only receive \$9,000 of the total grant amount.

GCA will not reimburse an organization more than two-thirds (2/3) of total actual expenses for FY26 Project Grants or Arts Education Program Grants as shown in the Financial Report Form.

For instance, if an organization is awarded a Project Grant of \$5,000, but the final report shows that the organization only had a total of \$6,000 in actual expenses, the organization will only receive \$4,000 of the total grant amount.

REQUIREMENT TO OBTAIN A SAM UEI

The federal government, including the National Endowment for the Arts (NEA), transitioned from using DUNS numbers as their unique entity identifier (UEI) to using a new identifier, known as a **SAM UEI**. Because GCA is funded in part by the NEA, we are also required to transition to using the SAM UEI. **Going forward, a SAM UEI is required to process all GCA grant applications, contracts, payments, and final reports.**

GCA CANNOT ISSUE ANY FY25 FINAL GRANT PAYMENTS OR FY26 GRANT CONTRACTS UNTIL YOUR ORGANIZATION HAS ENTERED A VALID SAM UEI IN GCA'S ONLINE GRANT SYSTEM. We urge you to go ahead and sign up for a SAM UEI to prevent any delay in grant payments.

If you attempt to register for a SAM UEI and are required to file an incident report, please let GCA know by forwarding the email confirmation of your incident report to your grants manager. In the case that there is a delay in obtaining your SAM UEI, this documentation will be required to move forward with processing FY25 final grant payments.

All GCA grant recipients are required to register for a SAM UEI through <http://SAM.gov> and enter that number in the appropriate section for the organization's account in GCA's online grant system at <https://georgia.org/ArtsApply>.

- For grantees and applicants that already receive funding directly from the federal government, your organization already has a SAM UEI. Log in to <http://SAM.gov>, copy the organization's SAM UEI, and enter that number into the SAM UEI field for the organization's registration within GCA's online grant system.
- For grantees and applicants that do not already have a SAM UEI, go to <http://SAM.gov> and register your organization.

There may be a delay in the process to obtain your SAM UEI if your organization is not already in the SAM.gov system, so **please do not put off beginning the process to obtain a SAM UEI.**

Please note, as you create a SAM.gov registration, GCA requests that you select the option to make your record public so that we can view your record and confirm that your SAM UEI is correct.

Registering in SAM.gov and obtaining a SAM UEI is free. You should never have to pay to obtain a SAM UEI. If an entity proposes charging your organization to obtain a SAM UEI, it is likely to be a scam and you should cease communicating with that entity.

Once you obtain a SAM UEI for your organization, enter that number into the SAM UEI field for the organization’s registration in GCA’s online grant system at <https://georgia.org/ArtsApply>.

Once you log in, go to the Applicant Dashboard. To the far right, you will see a pencil icon within the Organization information section. Click on the pencil icon and scroll down to the UEI/SAM Number field to enter your SAM UEI. After entering the SAM UEI, click on the Save button at the bottom of the page.

If your organization needs technical assistance with obtaining a SAM UEI or resolving an incident report, contact the [Federal Service Desk](https://www.fsd.gov) (FSD.gov) by phone (866-606-8220) or online through “Live Chat” or “Create an Incident”. Hours of operation are Monday-Friday, 8 a.m. to 8 p.m. ET. Please note that there may be a wait time for phone and Live Chat assistance.

If you have questions, please reach out to the GCA Grants Staff.

For General Operating Support (GOS) Grants, contact Allen Bell, Director of Grants and Research, at abell@gaarts.org or 404-962-4839.

For **Project Grants**, contact Tyrone Webb, Rural and Community Programs Manager, at twebb@gaarts.org or 404-962-4044.

For **Arts Education Program Grants**, contact Emily Yewell Volin, Grants and Arts Education Program Manager, at evolin@gaarts.org or 404-962-4015.

Thank you in advance for obtaining a SAM UEI and entering the identifier into your organization’s record in GCA’s online grant system. This will help GCA continue to provide grant funding to your organization and to support arts programs throughout the state.
